Rytons 125mm Round Louvre Ventilator

- Round room and cupboard ventilator.
- Low profile fixed open louvres allow high air flow.
- For external and internal use.

Size: 124mm (Overall Dia.) x 43mm (D) (including louvres).

Free Area: 8000mm² (80cm²) (12¼"²) per unit.

Colours: White, buff/sand, terracotta.

Composition: U.V. stabilised polypropylene.

U.V. stabilised.

Rytons '7x7' Hit & Miss Backplate with 122mm Dia. Spigot

- Backplate with tube connector.
- Compatible with Rytons Hit & Miss Ventilator '7x7' (HM51F).
- Spigot suits 125mm diameter rigid tubing and flexible ducting.

Size: Backplate: 160mm (L) x 166mm (H). Male Spigot: 122mm (Dia.) x 18mm (D).

Free Area: 14100mm² (141cm²) per unit.

Colours: White.

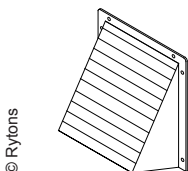

Composition: High impact polystyrene.
