Rytons HM22F.

Size

155mm (L) x 95mm (H).

R14 AutoCAD drawing available by e-mail.

Free Area

2182mm² (21.82cm²) (3¼"²) per unit.

Composition

U.V. stabilised high impact polystyrene.

Colours

White.

Specification Paragraph

Manufacturer:

Rytons Building Products Ltd Tel: 01536 511874 Fax: 01536 310455

Email: admin@rytons.com Web: www.vents.co.uk (updated regularly)

Product ref: Rytons Hit & Miss Ventilator '6x3' (ref HM22F to BBA 94/3071)

Size: 155mm long x 95mm high

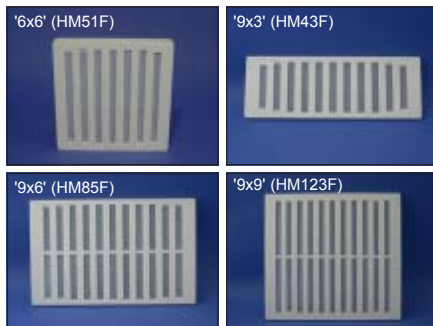

Installation

Pull off flyscreen from front cover. Fasten flyscreen over opening. Align front cover with flyscreen and 'snap' into position.

BBA Approval

Rytons has **73** British Board of Agrément approved products; the largest range on the market. BBA certification is third party evaluation and accreditation, and approved products are accepted by building control officers, architects, engineers and surveyors nationwide. The NHBC also accept products approved by the BBA when used as stated in the relevant BBA certificate. Rytons also has an Irish Building Regulation Statement for each of their three BBA certificates.

Technical Data Sheet

Rytons Hit & Miss Ventilator '6x3'

UK Regulations, Standards and Guidelines

The Building Regulations 2000, Approved Document F 2006 edition.
The Building (Scotland) Regulations 2004, Mandatory Standard 3.14.
The Building Regulations (Northern Ireland) 2000, Technical Booklet K.
British Standard BS 5250:2002.

Important Note

Hit & Miss Ventilators are not permitted to ventilate heat producing appliances as they may be closed, stopping the air flow.

Handling Information

Box quantity: 10 number.
Box size: 16cm (W) x 12cm (H) x 14cm (D).
Box weight: 0.345kg.

Questions

Can the vent be painted?

Yes, with an acrylic or enamel based paint. A test area should be carried out first and care must be taken not to block the flyscreen.

Is colour matching available?

This product is available to order in non-standard colours, choosing from either a Rytons colour or supplying a RAL number. For further information ask about Rytons Colour Matching service.

Why is the vent larger than 6" x 3"?

The description '6x3' is a nominal size with the vent larger to cover any damage to the surrounding area.

Please recycle printouts where facilities exist.
