Technical Data Sheet

Rytons Hit & Miss Ventilator '7x7'

Important Note

Hit & Miss Ventilators are not permitted to ventilate heat producing appliances as they may be closed, stopping the air flow.

Handling Information

Box quantity: 25 number.

Box weight: 2.23kg.

Questions

Can the vent be painted?

Yes, with an acrylic or enamel based paint. A test area should be carried out first and care must be taken not to block the flyscreen.

Is colour matching available?

This product is available to order in non-standard colours, choosing from either a Rytons colour or supplying a RAL number. For further information ask about Rytons Colour Matching service.

Please recycle printouts where facilities exist.
